

Special Recycling Collection Pilot Program

Klickitat County Residents we have BIG news!

What is this Special Recycling Collection Program?

The Klickitat County Solid Waste Department is partnering with Emerald Systems, LLC to collect two to three materials that are not accepted in our current recycling stream. This pilot program will begin with plastic bags/film and bailing twine. These materials are top contaminants in our past recycling audits. Although these materials are not accepted in our single-stream recycling, they do have a market when separated and contain limited to no contamination. Please note that these are NOT accepted by Republic Services and need to be taken to a specific collection site.

Collection Site:

We are currently seeking businesses that are interested in hosting a collection site. Once we have the sites confirmed we will update this page!

Plastic Film:

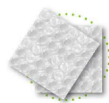

- Grocery bags
- Bread bags
- Ziploc, resealable food storage bags
- Cereal bags
- Bubble Wrap
- Case Wrap
- Dry Cleaning bags
- Salt bags
- Newspaper Sleeve
- Pallet Wrap and Stretch film
- Plastic shipping envelopes
- Produce bags

Grocery bags

Bread bags

Bubble wrap
