Klickitat County Lead Entity Citizens Review Committee Member Vacancy

March 20th, 2024

The Klickitat County Lead Entity Citizens Review Committee (CRC) is seeking applicants with relevant natural resources experience to fill a committee member vacancy. The CRC is composed of citizen volunteers with the role of supporting salmonid recovery by identifying credible and fundable habitat protection and enhancement projects. This process will support related programs and activities that produce sustainable and measurable benefits for fish and fish habitat. For more information about the CRC, and where to find the application, please visit: klickitatcounty.org/243/Salmon-Habitat-Recovery.

Complete applications must be submitted to the following:
