

1. ENVIRONMENT

••• protect/Manage aquifers

- Air Quality should include dust & noise from the quarries & other land disturbing operations

- * Wildlife is missing - add a goal to protect wildlife. Consider specific areas

- Prevent noxious weeds - invasive species •
goat heads

↑
AMEN - RUSH SKELETON WEED IS THE SCOURGE

GROW HEMP for food, fuels fiber, paper

- * Air Quality should be monitored from city industry especially from across the River - West Wind brings what we don't know.

- WHEN WIND EXCEEDS A CERTAIN VELOCITY IT SHOULD BE COMPULSORY FOR ALL ROCK OF 100 TONS OR MORE TO HAVE ADEQUATE WATER SPRAYS FOR DUST SUPPRESSION.

I. Environment

Dallasport
May 1, 2025

• Incentivize water conservation as climate grows hotter, drier, more fire-prone.

- Look into ~~differs~~ making water available
- through the Columbia River for dust suppression
- Since ground water is a limited resource

Make room for Community Garden(s)

Reduce light pollution
limit signage height - like Palm Springs CA.

Underground utilities reduces power outages,
fire potential + burned poles

NOTE -

The average age of people @ this meeting
was 55-60+

Safe access to the Klickitat Delta in Lyle

- ensure that BNSF honors *safe* access •

- Honor the treaties - WLETT Rumped Storage Project,
input + demands from foreign nations
in energy / infrastructure
development generally

Allow clean energy development + carbon sequestration

- Support citizens getting private clean energy

There is no table for parks +

open spaces - ...

- But we would like you to

- Bump the open space / parks to the top

of your revision, so if grants become available we can apply for one to develop the Wishram Playground Park.

We have the design from a previous grant.

- Dallasport park - we have the land need to be able to apply for grants to build!

PROTECT VIEW SHEDS + OPEN SPACES
BETTER MNGMNT OF ENERGY OVERLAYS

DUST SUPPRESSION IS ESSENTIAL

FOR GOOD HEALTH WHEN EXTRACTING

ROCK (QUARRIES) USE WATER SPRAYS!

Consider Prescribed burning for Residents, DNR, Forest Service
BIA lands.

~~Support~~ Support the Columbia River Treaty renegotiations.

Turn Hemp into construction products

Should Goal 6. still be honored?
↑ "ensure full use of mineral deposits"

STOP EXPORTING THE COUNTY'S SOLAR GENERATED
ELECTRICITY TO OTHER LOCATIONS & STATES WITHOUT
FRANCHISE FEES AND PRODUCTIONS FEES

3. ECONOMY

Dallasport
May 1, 2025

More support for small business development -
less permits! (fee waivers etc for small start-up). *

More organized / visible plan for tourism!
Keeping prices reasonable for Retired Communities! *

Encourage responsible tourism - respect for natural
areas, fire safety, etc.

Ensure short-term rentals (Airbnb etc) do not diminish
available affordable rentals for permanent residents/workforce

No matter what is decided - more tax breaks
for current Land/Home owners. Revise senior code.
State Law NOT County Can
do this

Build a casino on Lyle pt. w/a bridge connection to I-84
EX

CULTIVATE Hemp for fiber, food, fuel

Create more jobs by making it easy easier for Companies
to do business through the port

Include Port of Klickitat in planning to ensure aligned
goals. Ports can have a HUGE influence in the industries
they attract - i.e. hi-tech? manufacturing? aerospace?
Ups & downs of a concentration of one industry can ~~cause~~
cause boom or bust!

3. ECONOMY

- Encourage - and support - tourism
 - - safer access to the river beach areas
 - - more + more reliable public transport.
- With an increase in tourism you will have an increase in wildfires + MVC's - Plan to address the potential.

• Use the Airport for Tourism and income for local Area, right now it is operating illegally.

Hemp could be worth developing

- Ensure that Lyle Post Office charges *fairly* for PO Boxes
 - Protect the wineries from smoke taint
ie Don't allow controlled burns prior to harvest.
- Reduce PROPERTY TAX FOR SENIORS

Provide Health care

4. HOUSING

Dallesport
May 1, 2025

• Affordable Housing
• Maybe area for mobile home
• Small lot for tiny homes

• Limit the overall square footage of homes - smaller
• Increase fire prevention of construction - Increase fire codes

Plans for first time home-buyers - subsidies, work exchange etc.

• Allow modest multi-family development X

• THE COUNTY COMMISSIONERS ARE NOT
• HELPFUL TO COMPANIES WHO WANT TO BUILD
• HOUSING IN Dallesport H2O ISSUE

• Beware of fast growth, infrastructure
• HAS also be considered and the cost to
• who.

• Fire prevention for developments - hydrants... Increase
• fire departments funding.

• Small lots in designated areas - take fire protection
• into consideration for new developments. Small lots/poor planning/layout
• makes for fire disaster.

Keep the area kid safe

5. TRANSPORTATION

Dallesport residents are walkers - We need sidewalks

Dallesport needs a well-maintained park with activities for all ages
i.e. walking path, sports field, playground equipment, restrooms

Dallesport is qualified to operate our own waste water facility

Dallesport had its own school. As we grow, we need another school
a school can involve community folks -

As Dallesport grows there is a need for more fire services
and police services

Bigger Post Office + home delivery

• Sidewalks in Lyle*

• Reduce speed limits further + farther out from town centers (Lyle)

• give Dallesport elec. speed sign that can be used on several main st.

• High Speed Internet

• Drainage + street hydrology infrastructure, especially in unincorporated town (Lyle, e.g.)
• Communities can build parks.

Public Services
