INFORMATIONAL COMMUNICATION NO.3

TO: Prospective Bidders
PROJECT: Goldendale Fuel Facility

BID OPENING DATE: March 24, 2026

The following questions were received by Klickitat County Public Works from prospective bidders and the responses are the following:

Question #1: The specifications require a fuel maintenance system (23 11 13), but the plans do not show mechanical or electrical items to support this. How do I proceed with the bid.

Answer #1: The specifications supersede the plans so the maintenance system is required, however any missed mechanical or electrical items not shown in the plans will be paid for using a change order.
